Extended Assignments and Attendance Student Interview

What does reasonable flexibility mean? Occasional exceptions to absentee/tardiness policies and to reading/assignment due dates when feasible, and when doing so does not lower the essential requirements or learning outcomes of a course.

Name: _____ ID#: _____

1. What is your diagnosis? _____

2. Describe how your health fluctuates. Is it episodic in nature?

3. What is the frequency of these episodes?

4. What is the average duration of these episodes?

5. Describe how your diagnosis impacts your ability to attend class and/or complete assignments?

6. How will having this accommodation help?

7. When did the problem begin (history)

8. How often do you anticipate needing to use this accommodation?

9. Do you only need a short extension to remedy/get caught up? How long do you usually need to get caught up?
