

Insurance Career Opportunities

The insurance field is looking for bright graduates for immediate employment with great starting salaries and unlimited income potential. In 8 weeks you can be on your way to passing the Pennsylvania Insurance Licensing exam and a brand new career. Currently the insurance industry employs more than 3 million people, and the industry will create more than 400,000 jobs by 2020.* Employment opportunities are available with major insurance companies and agencies for positions as customer service representatives, account managers, and sales agents, along with other positions. Beginning September 10th CCAC will offer the Property & Casualty (P&C) certificate program to get you on the road to a dynamic and rewarding professional career.

- **Property & Casualty (P&C) Insurance Career Preparation** course will cover insurance regulations; general insurance; property and casualty insurance basics; and an overview of various types of insurance policies and coverage options needed by the public. Students who successfully complete this program and pass the Pennsylvania Insurance Licensing exam will be prepared to assist individuals and businesses in managing their property and casualty exposures.

George E. Krauss, D.Ed., CPCU, CLU, ChFC, ARM is the instructor and the author of both study texts used in the courses.

CCAC 8 week insurance course is offered at the South Campus

Monday evenings 5:00 - 8:00 pm.

Dates: Monday, September 10, 2018 thru Monday, October 29, 2018

Cost: \$499.00 for the 8 week course - Books and study material are included.

(Price does not include the state licensing exam).

To register - please call 412.788.7546 or go online to <http://shopcommunityed.ccac.edu>.
