Community College of Allegheny County (CCAC)
Since its founding in 1966, CCAC has flourished, becoming the educational powerhouse it is today—a nationally renowned two-year college dedicated to serving all members of the community. From groundbreaking student success initiatives to top-ranked academic and career-based programs, CCAC continues to be the college of choice for nearly one out of three adults in the Greater Pittsburgh metropolitan region.

Every year, more than 25,000 students enroll at CCAC, taking advantage of more than 150 degree, certificate, diploma and transfer programs while thousands more access noncredit and workforce development courses. Comprising four campuses and four neighborhood centers, as well as other offsite locations, CCAC is honored to have one of the largest veteran student populations in the state and takes pride in ranking among the nation's top community colleges for the number of individuals graduating in nursing and other health-related professions.

CCAC graduates have transferred to the nation's most prestigious colleges and universities, have obtained the most academically challenging and competitive degrees and can be found at leading companies, organizations and institutions throughout the country. CCAC alumni are actively engaged in every sector of society, providing leadership to scores of economic, scientific, civic and philanthropic entities both in the Pittsburgh region and around the world. This publication was created by the CCAC Public Relations & Marketing Department.

OUR GOAL IS YOUR SUCCESS.
For the first time, CCAC Boyce Campus is offering a summer program for high school juniors and seniors interested in exploring careers in medicine, nursing and the allied health sciences.

Students enrolled in the 2017 Summer Health Career Prep Program will attend classes at Boyce Campus as dual enrollment students, earning six college credits that may be transferrable to the college or university of their choice. A variety of health careers will be explored through coursework and interactive learning activities.

The following two classes will be offered in the 2017 Summer Health Career Prep Program:

**ALH–140 Medical Terminology** 3 credits
This course offers a basic study of the professional language of medicine. It is designed to give the student a working knowledge of the terms used in anatomy, pathology, surgical and diagnostic procedures and symptomatology.

**BIO–117 Introduction to Nutrition** 3 credits
The principles of nutrition are introduced, stressing the scientific foundation of dietary practices that are associated with good health. Emphasis is placed on developing nutritional literacy, enabling students to distinguish between information based on science from information based on unsubstantiated claims.

Classes run Monday, Tuesday and Wednesday mornings. Classes begin June 12 and end July 19.

Cost for the 2017 Summer Health Career Prep Program is $867 for Allegheny County residents. Out-of-county residents pay a higher fee.

For more information, call 724.325.6668.
