The EMT course prepares students with the knowledge and skills to provide basic level emergency care in a pre-hospital setting. This course is aligned with the National Education Standards for EMT as approved by the PA DOH (Pennsylvania Department of Health). Students will learn emergency care for cardiac arrest, medical emergencies, trauma emergencies, patient assessment techniques, oxygen administration, pharmacology for emergency care and EMS Operations. Students must be able to meet all requirements for the Functional Position Description for EMT. The course will include classroom sessions, skill labs, and a required clinical rotation in a hospital or other approved facility.

Background checks, physical exam and appropriate blood work/immunizations are required prior to starting the clinical requirements. Additional immunizations may be required by some facilities. The required health form will be distributed in class.

Course Requirements

- Student must be 16 years of age at the start of the class.
- Student must have access to a computer with internet service capabilities and a printer. Student must complete the class with a 75% or greater.
  - Students will have the opportunity to take online quizzes. One bonus point will be applied to the student's exam scores for each passing quiz.
- Student must complete a minimum of 10 patient contacts in an approved setting. More information will be provided on the first day of class.
  - Additional requirements may be required by the EMS or Hospital precepting location. All additional requirements are the responsibility of the student's expense to meet.
- Student must complete the PA train independent study course for Hazardous Material Awareness online. This course is not part of course curriculum and must be obtained outside of class. Certificates that were obtained prior will be accepted but must be less than one year.
  ICS 100: http://training.fema.gov/emiweb/is/is100b.asp

Certification Testing

Students who successfully complete the College EMT program will be required to take the National Registry Psychomotor Exam (practical skill) that will be scheduled during the EMT class. Students who are not able to attend the scheduled exam will have to contact EMS West at 412.242.7322 or www.emsi.org to make arrangements to schedule their psychomotor exam (practical skill). Once a student successfully passes the psychomotor exam (practical skill), s/he will then be eligible to register on the National Registry of Emergency Medical Technicians (NREMT) website for the written exam which is taken at a Pearson Vue testing center. It is the student's responsibility to pay for the exam. The cost of the exam is $104, payable directly to Pearson Vue Testing.
